

Dear Parents/Carers,

I am delighted to announce we will be providing an outdoor education provision within Primary School.

Our Outdoor Education will be led by an experienced outdoor education team from Peak District Survival School and the lead instructor is Mark Fox who has over 20 years of experience in outdoor education.

Peak District Survival School is regulated by The Adventurous Activity Licensing Service and holds endorsements including: Learning Outside the Classroom Quality Badge, Adventure Mark and delivers teacher/ Outdoor Education training accreditation under the NCFE.

Lessons/ activities will include a range of Outdoor activities directly linked to the school curriculum, living history, maths, science, English, local studies ect.

Including:

- 1, The history of Fire and what we have used it for through the ages,
- 2, Water filtration and purification
- 3, Foraging,
- 4, Animal tracks and tracking,
- 5, Natural Navigation,
- 6, Geography,

And lots more.

The class day is programmed for each Thursday starting from September 2023

You will be informed when your child has their 6 week program.

Lessons will be delivered outdoors and we would advise you to send with children:

- Wellies/old trainers
- A change of clothes
- A waterproof and warm coat.
- Hats and gloves if it's cold.
- Clothes will get muddy and dirty and on occasion may be damaged by brambles or vegetation when snagged or caught and may smell of smoke.

Yours faithfully,

Mark Fox, APIOL, CIC, L5 Bushcraft, Survival and Wilderness Living Instructor, UKCCL2 Coach, SPA, ML
