20th February 2024

Dear Parents/Carers,

As you are aware one of the important skills your child is developing in school is effective early reading skills, resulting in them having a life-long love of reading. In light of the high importance the Curriculum places on children being fluent readers, we would like to invite you to attend an information session to help your child with their phonics to develop their reading. There will be a Reading and Phonics Meeting on **Friday 23rd February at 9.00am and 2pm**, for all Foundation Stage and Key Stage 1 parents. This will be an opportunity for us to talk to you about;

- The St John's Way of teaching reading
- What Phonics is and how we teach it
- How you can help at home
- Resources we use and how you can use it at home

There will also be opportunities for you to ask questions.

It is important that you attend this meeting, where possible, however if you are unable to attend, please let us know and we can provide handouts.

Thank you for your continued support

Miss Weston
