Dear Parents and Carers,

Celebration Assemblies

Before the half term, we received a number of complaints from staff and parents regarding the noise in the hall during celebration assemblies due to parents having conversations whilst staff and children were talking.

Our assemblies are an opportunity to celebrate our wonderful children and their achievements and these are being overshadowed by the conversations happening at the back of the hall.

We respectfully ask all family members who are attending the celebration assemblies to please not engage in conversations during the assembly, please leave these to before or after. Our children are able to listen and show respect during this time and we would like all adults to be role models for this.

In addition, please can all family members remain at the back of the hall and not fill up the sides or stand by the door to the classrooms in the middle of the hall. There are often plenty of seats still free to sit on so parents do not need to stand down the side of the hall.

We want to be able to continue to celebrate our children's achievements in this wonderful way and hope that you are able to work with us.

Thank you for your continued support.

Yours sincerely

Mrs Rigby
Principal
