WELCOME TO YOUR NEW CATERING SERVICE

We now run our own in-house catering. We attach great importance to the provision of meals in our Academy and ensure that our meals are always healthy and balanced. Where possible most of the food is sourced locally and we use fresh, local produce whenever we can.

We have a dedicated team, led by Julie Hodgkinson, supported by School Food Solutions who work hard to produce a wide variety of meals for both students and staff.

All our food is cooked fresh each day and our sandwiches are made on site. Our menus are individually designed exclusively for St John's.

Our menus also take into consideration feedback from the pupils and the student council.

All allergy information is available within the school kitchen.

Please look out for our full list of our themed day events and if you have any questions please contact the school office.
