

Hi Year 1,

I hope that you're all keeping safe and well. It is so lovely to hear that more of you are coming back to school, we miss all of you lots.

I have listed below a list of websites which will help your home learning. Please send some emails of photographs of yourselves with some of your home learning or activities which you have completed, I look forward to receiving these. Remember it is very important to continue your learning at home so that you are ready for year 2.

### **English:**

In English, for the rest of the year we will be continuing to write diary entries and non-fiction writing. It is important that you try to complete a piece of writing daily to help with your letter formation, punctuation and spelling. You could write about anything which interests you such as:

Writing a diary entry from one of your favourite characters from a story.

Keeping a daily diary writing about what activities you have completed each day.

Writing letters to family and friends which you might not have seen recently.

Writing letters to your friends or teachers in school for us to read.

Writing your own version of a story which you enjoy.

The National oak academy and BBC Bitesize are continuing to post daily lessons so please use these also.

<https://classroom.thenational.academy/subjects-by-year/year-1/>

The following website also has different worksheets and activities which you can complete at home.

<https://learnenglishkids.britishcouncil.org/>

### **Maths:**

For the rest of this half term we will be learning about position and direction and then completing consolidation and assessment of previous learning. Please use the below website to help you with this learning and if there is something you would like to learn more about to secure your learning in any areas of maths then please do.

W/C 22.06.2020

There are also free assessment sheets on White Rose maths which you can complete at home. This will help you to find out any areas you might want to go over again to refresh your learning. Please complete these and email over your scores!

### **Science:**

We will be continuing to learn about plants and where our food comes from to help with our D&T learning. We will also be continuing our learning about the weather. Our weather recently has been fascinating to watch, with all the thunderstorms. You could complete a daily weather chart to monitor the weather. Please use BBC Bitesize and The Oak National academy to assist your learning. The following website also has some fun science activities you may want to try at home.

<https://www.stem.org.uk/>

### **D&T**

We are following recipes in D&T and making different food. Please have a go at home at following a recipe and creating a delicious dish!

There is some information on healthy eating and creating a dish here too:

<https://www.bbc.co.uk/bitesize/articles/z7yb42p>

### **Phonics**

Please continue to use [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) and [www.phonicsbloom.co.uk](http://www.phonicsbloom.co.uk) for phonics games and watching the daily lessons from Letters and Sounds on YouTube.

Please email [year1-ks1@stjohnskidsgrove.org.uk](mailto:year1-ks1@stjohnskidsgrove.org.uk) with any questions or work you would like to share.

Take Care,

Miss Yates, Mrs Bate and Mrs Horgan.
