

St. John the Evangelist Catholic Academy - Progression in Science

Progression in Scientific knowledge, concepts & skills	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Seasonal Changes (Physics) Working Scientifically	Observe changes across the four seasons Observe and describe weather associated with the seasons and how day length varies (temperatures during the day and night)					
Possible Learning Challenge Questions	Why does it get dark so early in the winter? How do the seasons effect what we do?
