

Dear Year 5 Parents/Carers

12th November 2021

On behalf of Cyclist Training Ltd and St John the Evangelist Catholic Academy, we wish to offer your child the chance to take part in **Bikeability Level 2 cycle training on Wednesday 12th & Thursday 13th January 2022**. This is a valuable opportunity to learn about local road safety on foot and bike. **Participants must be able to ride**, all who take part receive a certificate / badge.

The course is delivered by Nationally Qualified Cycling Instructors on local school roads and has been revised in line with current Education and Government advice (most Risk Assessments approved by your school). Adhering to social distancing, Bikeability has always been an active, outside activity where pupils are very well distanced on their own bikes, riding 2+ meters apart for 80% of the time.

Bikeability Level 2 is **FREE of Charge** and supports the ever increasing interest in cycling. Knowing how to cycle and walk safely also provides your child, with your permission, to enjoy an increased independence as they visit friends and transition to secondary school. Cycling also offers physical and mental health benefits, is an essential alternative to public transport, can reduce congestion around school and is always a popular leisure activity.

This is a national scheme funded by the Department for Transport and provided through Staffordshire County Council. Pupils will gain a comprehensive knowledge of positioning, signalling, negotiating a variety of junctions and general road safety awareness on local school roads.

Participants require their own maintained bike (we strongly recommend a helmet), signed parental consent and suitable outdoor clothing (gloves can be essential for your child's comfort). Parental permission must be given if no helmet is being worn*.

There are a limited number of places remaining so Parents/Carers **must complete the tear off slip below and return to school before Tuesday 7th December 2021**.

Yours sincerely

Liann Allpress, Cyclist Training Ltd
