Dear Parents / Guardians

## **Safer Internet Day 2022**

At school this week we have celebrated 'Safer Internet Day' with lessons, assemblies and virtual talks. The theme this year has been centred on online gaming. We understand that more than ever, our children are interacting with other people through the Internet and their online gaming.

The lessons and assembly delivered to children emphasised the need to be careful, considerate and sensible online, just as you would on a playground, in a classroom or at home.

We would also like to provide support for you as parents and carers when it comes to keeping your children safe whilst online. Please don't hesitate to get in touch if you feel out of your depth with handling issues that might arise online.

Below are some different resources that you can refer to for advice and guidance in regards to the online world.

Please see the attached leaflet for further information.

Thank you for your continued support

Yours sincerely

Mr Smith  
Computing Leader
