Dear Parents and Carers,

## **PARKING**

Thank you to all parents who are choosing to park sensibly and safely at both the EYFS/KS1 and KS2 sites.

At the EYFS/KS1 site, there are still a very small number of parents parking on the double yellow lines/ pavement outside the school gate. This is dangerous for our children walking to and from school and some parents have reported that there have been some very close calls between vehicles pulling up and children on the pavement.

At the KS2 site there have been some complaints received from residents regarding some parking from parents. We recognise that recent works have impacted the space for parking, however we are asking all parents to park sensibly and safely, thinking about our children and also the residents on Gloucester Road. Please do not park on the school zig zag markings at any time or block/ park in any of the residents' drive ways.

We have asked the local PCSO's to support us during drop off and pick up times at both sites.

The safety of our children is of paramount importance and we are asking all parents to support us in this when choosing where to park. Please ensure that you park safely and courteously when dropping off and picking your child up.

Thank you for your support.

Yours sincerely

Mrs H Rigby  
Principal
